

East Link Extension

Construction Alert

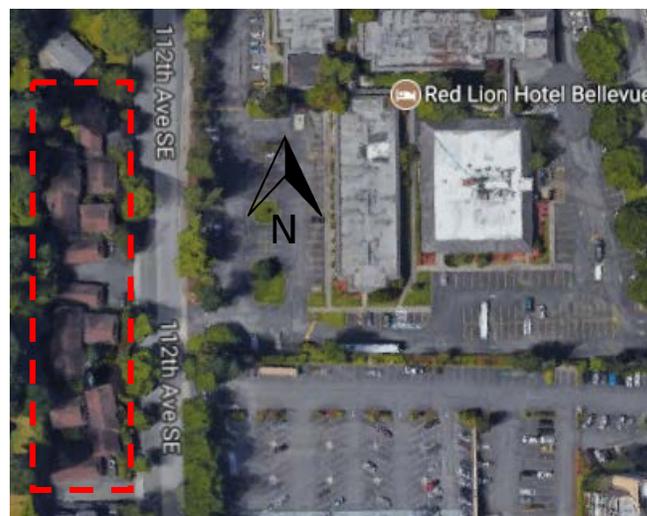

November 2017

UPDATE: Remaining condominiums along 112th Ave SE scheduled for demolition. Bellevue Fire Department to conduct training exercises beforehand.

Beginning as early as Monday, Nov. 13, Sound Transit will start demolition of the remaining condominiums along 112th Avenue Southeast. This work is in preparation for eventual construction of the East Main Station. Prior to the demo work (Nov. 10 – Nov. 12 from 8 a.m. – 4 p.m.), the Bellevue Fire Department will use the structures for training exercises.

What to expect

- The southbound lane and sidewalk closest to the curb on 112th Avenue Southeast will be closed while the work is occurring.
- Approved work hours are Monday through Friday, 7 a.m. – 6 p.m.
- Initial demolition activity (removal of the structures) is expected to take approximately one week to complete. Additional demo and cleanup will continue into early December.
- Tree and vegetation removal in the work zone will be occurring concurrently.
- Building abatement has been completed.
- Crews will have dust control measures in place while the work is occurring.
- Please contact Marie Jensen, City of Bellevue Outreach at 425-452-2064 or mjensen@bellevuewa.gov for any questions about the Bellevue Fire Department training.

East Link Extension is a key element of the regional mass transit system approved by voters in 2008. This 14-mile light rail line will benefit local communities and support regional growth with fast, frequent and reliable light rail service, connecting Seattle to the Eastside's biggest population and employment centers. The project builds on the Central Link light rail system running between Sea-Tac Airport and the University of Washington. East Link is part of the new light rail extensions being built north, south and east from Seattle.
