

AUTHORIZATION AND CONSENT TO DISCLOSE LIMITED CONTACT INFORMATION AND PERMISSION TO RECORD AND PUBLISH IN THE SURREY DOWNS COMMUNITY CLUB DIRECTORY IN ELECTRONIC OR PAPER FORMAT (March 2020 onwards)

To be listed in future Surrey Downs Community Club (SDCC) Neighborhood Directories or to have your information available for Emergency Planning and Response, you must fill out and sign this form and return a copy to the SDCC Secretary (227 110th AVE SE).

SDCC want to ensure we have **positive consent** (not by default) before publishing any names, addresses and contact information and so we are asking you to complete (print out) and sign (in black ink) this consent and release so that we can record your name(s), address, preferred phone number and email address in our directory and database. This information may be used by the Surrey Downs board members, the Emergency Planning and Response teams, or published in a paper directory or electronically on a website owned and controlled by Surrey Downs Community Club. We will not share or sell your information.

When listing members of the family at an address, we have decided **not to include children's names (minors)** in future directories to simplify consent but also as social media groups better connect young mothers, children and teenagers.
